**Important events to be reported:** Development plan for the Taco Bell Romania restaurant network

Sphera Franchise Group S.A. (the "Group") informs the investors about the completion of the procedures for signing the development plan for the restaurant network, for year 2022, between the franchisor YUM! and California Fresh Flavors S.R.L. ("CFF"), the subsidiary of the Group that owns the franchise rights for the operation of Taco Bell restaurants in Romania.

Following negotiations with the representative of YUM!, Taco Bell Europe, the parties agreed that in 2022 CFF will benefit from progressive financial incentives, depending on the number of newly opened restaurants. For any exceeding of the minimum number of 2 new net restaurants (of which one restaurant was already opened in 2022), CFF will benefit from additional financial incentives. Due to the confidentiality of the agreement with YUM!, the Group cannot disclose the total amount of negotiated financial incentives.

As of July 11<sup>th</sup>, 2022, Sphera Franchise Group operates 14 Taco Bell restaurants. All the restaurants are located in mall food- courts, in nine different cities across Romania.
